

I find it hard to talk
with my neighbors

When is the garbage day?
And, where should I take them

It's nice, If I had someone
nearby I could rely on...

I just moved here
and I feel anxious...

Join Your "Neighborhood Association" (Jichi-kai)

-To make your life more comfortable, safer and easier for you and your family-

Benefits of Joining...

- Build stronger connections with neighbors!
- Help create a better local environment!
- Learn proper trash disposal rules!
- Stay informed about local and city information!
- Work together to solve community issues!

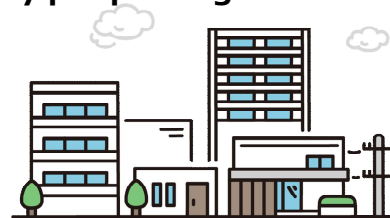

-Neighborhood Association (Jichi-kai) is

Essential in the case of disasters-

During disasters such as Earthquake, Tsunami, Flood, many people might need help from others in their community.

In times of emergency, voluntary cooperation among local residents is extremely important.

Mutual support in critical situations works the best when connections among residents are built into everyday life.

***Action : Ask your neighbor about your local association contact
(Jichi-kai)***
